

Hygenics Foaming Hand Soap System

- Sealed cartridges eliminate contamination
- Integrated pump guaranteed to never leak or clog
- High capacity 1000 ml cartridge reduces labor time and money
- Up to 1350 hand washes per cartridge
- Easy loading
- Broad range of soap products for a multitude of applications
- Top Dispensing allows user to see soap dispensed, reducing waste
- “Push” handle reinforces mounting
- ADA push compliant

-
- HA-1000 Hygenics Antibacterial Moisture Wash
 - Broad spectrum antibacterial soap, formulated with .5% Triclosan to be highly effective against microorganisms. Rich creamy foam moisturizes and deodorizes.

- HFD-100 Foaming Soap Dispenser
 - Tough, yet visually appealing dispenser offers high capacity, drip-free dispensing. “Push” handle reinforces mounting with each use.
